September 2015

Beloved in the Lord,

I want to share with you several pieces of good news. I think that you already know what a great place Mount Calvary is, but I wanted you to hear some things that God is doing here.

We now have completed the first couple of weeks of school and our enrollment has stabilized at **204 students**. This is the highest enrollment Mount Calvary Lutheran School has had in at least 20 years. We are blessed with excellent leadership in Ms. Carrie Miller and an outstanding teaching staff. All our teachers have returned from last year and, according to Principal Miller, the “secret” to our enrollment growth has been keeping students from one year to the next. This is a challenge in a transient area like ours.

Next Sunday we are part of the National Back to Church Sunday event. This is a great opportunity for you to invite a friend, coworker or neighbor to join you in worship. We have an invitation tool available for your use. Also, ask them to stay for our *Friendship Breakfast* after worship.

Our 90th Anniversary Homecoming is promising to be GREAT! We are getting the word out to alumni, former members, and friends of Mount Calvary. Anything you can do to help is greatly appreciated. Get the addresses of alumni to the Church office, use the Facebook invitation to invite “friends” to the weekend. Finally, please RSVP for the luncheon before September 25th. Volunteers are also needed for setup, cleanup, and other details.

On a personal note, I also want to express my personal gratitude for all the kindness you have showed to our family at the death of my mother. She was an exceptional woman of faith and I miss her more than I can say. Your cards, kind words, flowers, gifts in her memory, and presence have blessed me. Thank you; you are a wonderful and gift from God to me.

In Christ,

Pastor Dan Czaplewski
