BREAST CANCER AWARENESS MONTH

October is Breast Cancer Awareness Month! It is said that thousands of women across the United States test positive for this disease each year. Find out ways you can get involved and support in any way during the month. Campaigning, volunteering, and fundraising are some examples of how we show support. Mount Calvary **CHALLENGES** all our families to wear pink **TOMORROW** in observation of Breast Cancer Awareness Month. We also encourage our mothers to become aware of their status.

CALENDAR

We apologize for the confusion with our yearly calendar. During conferences all families were given an updated calendar for the months of September and October. Due to school not starting until September (rather than August like previous years) adjustments had to be made. School was in session this past Monday, October 12th. Please be sure to call the office if your child was absent due to our calendar mix up.

SCHOOL PICK UPS

Pick up for all classroom work will be held the first and third Monday of each month. Office hours are 7:30 am - 3:00 pm. That is the only time parents are allowed in the building to pick up work. Parents will not be able to pick up at any time unless you have spoken with your child/children's teacher and it was approved. Thank you for your cooperation as we continue to implement safety precautions for everyone's health.

CHAPEL & WORSHIP SERVICES

All are welcome to join us for Sunday Worship Services (social distancing and online) each week at 9:00 AM. If you are looking for a church home or would just like to come for a visit, we would love to see you there! Chapel services are prerecorded and available for students to view on Fridays of each week. Chapel and worship services can be viewed at:
