Finally, all of you, have unity of mind,
sympathy, brotherly love, a tender
heart, and a humble mind.

GREETINGS FAMILIES

Although we are experiencing such a HUGE change at the start of a new school year, we would like to applaud our parents and students for your commitment and dedication with adapting to virtual learning. Please continue to be patient with us as we implement better ways to be of help to you and your children. Our prayer is that our children will have positive, meaningful memories to reflect on their time learning virtually.

CHAPEL & WORSHIP SERVICES

All are welcome to join us for Sunday Worship Services (social distancing and online) each week at 9:00 AM. If you are looking for a church home or would just like to come for a visit, we would love to see you there! Chapel services are prerecorded and available for students to view on Fridays, of each week. Chapel and worship services can be viewed at:

Chromebook Availability

In the spring, a large order for Chromebooks was submitted for our students to learn virtually. After months of waiting we were finally approved late July. However, our computers are still on backorder as many schools throughout the country have the same needs. Once we receive more computers, we will contact parents and guardians to begin the process of distributing
